

WIZARD® SELF PROPELLED FOOD DRUM DEHEADERS MODEL F SERIES

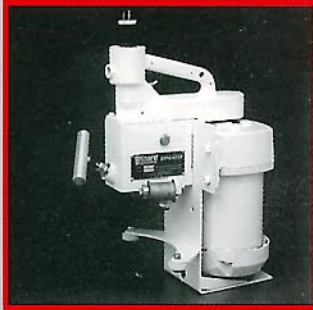

Outside Chime Cut

USER PROVEN FEATURES:

- Only USDA Approved Tool
- Contamination Free Deheading
- Safe - No Jagged Edges - Cover Lifter Included
- Swivel Connections Prevent Tangling
- Simple to Operate / No Special Training Required
- Portable
- Continuous Cutting with Round Cutter Wheel
- Low Maintenance/Long Lasting
- Immediate Delivery by UPS

This model was designed specifically for the food industry and is the only USDA approved tool of its kind on the market. The outside chime cut protects the drum contents from contamination and allows access to 100% of the drum contents. Lid stays in place until you're ready to lift it off with the Wizard® cover lifter. Lid can be reused as a cover.

ELECTRIC

Electric models are chosen when quiet operation is preferred and 110 voltage is available.

1/3 HP, 110 V, 60 Hz, Single Phase, Full load Amps 5.7 and 220 in/lbs Torque.

Optional electric models available on request - 220 volt single phase - 50 or 60 Hz.

Shipping weight: 78 lbs., Net weight: 58 lbs.

Unit Dimensions: 18"L x 11"W x 24"H

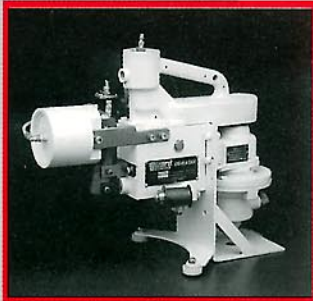

AIR

The air model is preferred in industrial settings where floors and work areas are wet. 60-100 PSI, 25 CFM, airline filter and lubricator required with all air driven units.

1/2 HP, Variable Speed, 4 Vane Reversible Air Motor and 30:1 Gear Reducer

Shipping Weight: 90 lbs., Net Weight: 70 lbs.

Unit Dimensions: 18"L x 11"W x 21"H

AUTOMATIC AIR

The automatic air is particularly effective when a large number of drums are being deheaded. Automatic powered cutting and pushbutton controls are features of this model.

1/2 HP, Variable Speed, 4 Vane Reversible Air Motor with 30:1 Gear Reducer

Shipping Weight: 98 lbs., Net Weight: 78 lbs

Unit Dimensions: 22"L x 11"W x 19"H

HEAVY DUTY AIR MODELS ALSO AVAILABLE

DRUM HEAD LIFTER

The fast, efficient way to remove steel drum heads after they have been cut by Model F or H Wizard® deheaders. Ruggedly constructed jaws are heat-treated tool-quality steel. Lifter is 16 inches long for excellent leverage. Jaws can be adjusted to fit any known type of U.S. or foreign drum. Weight is 3 pounds.
